

Dear Mr. Powell,

I strongly urge you to delay the deregulation of the broadcast industry. I have already stopped watching TV news due to bias during the run up to the Iraq war. Information is basic to a true democracy, if businesses, through manipulation of government by donations are allowed to further restrict our access to objective reporting, our rights and civil liberties will be in even greater danger: your father is aware of the extent to which we have already been lied to. Please do not allow this to go further..

Sincerely,
Cynthia K. McWilliams
